Product Description

Elevate your security with the **EALL30/EALL30 BL Digital Locker Lock**, designed for ultimate convenience and robust protection. Whether it's for personal or shared use, this advanced lock offers a perfect blend of functionality and style.

Advanced Digital Cam Keypad Lock: Seamlessly integrates into your locker setup, providing secure access with a sleek, modern design.

Customizable Passwords: Supports 4-15 digit passwords, catering to your security needs with flexibility.

Versatile Use: Ideal for both shared and private use, making it perfect for gyms, offices, theme parks, and more.

Emergency Manual Key: Comes with an emergency manual key option, ensuring access during unforeseen circumstances.

Wide Compatibility: Suitable for locker thicknesses ranging from 0.6 to 25 MM, offering broad application possibilities.

Long Battery Life: Operates efficiently with a battery life of up to 18 months, reducing the need for frequent replacements.

Emergency Power Backup: Equipped with a USB-C port for emergency power, ensuring your lock is always operational.

Stylish Finishes: Available in Black and Brushed Chrome finishes, adding a touch of elegance to your locker setup.

Reliable Power Source: Powered by a CR2450 battery, known for its longevity and reliability.
